		Test Cases Template for project Project Name Midbrains Academy website Module Name https://midbrainsacademy.in/ Testing Type QA Automation Testing Tested on Chrome / Mobile Browser Tools Google sheet for test cases Created By Harshada Project Date 1 Nov 2024-Apr 2026 Created Date 1 Feb 2025(Test Cases)							
Test Case ID		Test scenario	Test Data	Test Steps	Expected Result	Actual Result	Priority	Executed QA Name	Status
TC-01		Verify Home Page Load.	https://midbrainsacademy.in/	1. Open the Google browser and open the new tab 2. Paste the URL link " https://midbrainsacademy.in/ " 3. Click on home page. 4. Wait for loading the home page.	Home page should be displayed	Home page displayed successfully	P0	Harshada	Pass
TC-02		Navigation Menu (All links working properly)	Website, Home, About, Training, Placements, Internship, Gallery, Career, Contact						
	TC-02-01	Verify that website open correctly.	Website	1. Open the Google browser and open the new tab 2. Open the link " https://midbrainsacademy.in/ " 3. Wait for the loading the page.	Page Should be open	Page open successfully	P0	Harshada	Pass
	TC-02-02	Verify that Home page open correctly.	Home	1. Open the link " https://midbrainsacademy.in/ " 2. Click on Home Page 3. Wait for the loading the page.	Page Should be open	Page open successfully	P0	Harshada	Pass
	TC-02-03	Verify that About page open correctly.	About	1. Open the link " https://midbrainsacademy.in/ " 2. Click on About Page 3. Wait for the loading the page.	Page Should be open	Page open successfully	P1	Harshada	Pass
	TC-02-04	Verify that Training page open correctly.	Training	1. Open the link " https://midbrainsacademy.in/ " 2. Click on Training Page 3. Wait for the loading the page.	Page Should be open	Page open successfully	P0	Harshada	Pass
	TC-02-05	Verify that internal link open correctly.	Web Developer, Mern Developer, Human Resources, Digital Marketing, Graphic Designing, Software Testing, Java Developer, Python Developer, Salesforce Developer	1. Open the link " https://midbrainsacademy.in/ " 2. Click on one by one internal links. 3. Wait for the loading the page.	Pages Should be open	Pages open successfully	P0	Harshada	Pass
	TC-02-06	Verify that Placements page open correctly.	Placements	1. Open the link " https://midbrainsacademy.in/ " 2. Click on Placements Page 3. Wait for the loading the page.	Page Should be open	Page open successfully	P1	Harshada	Pass
	TC-02-07	Verify that Internships page open correctly.	Internships	1. Open the link " https://midbrainsacademy.in/ " 2. Click on Internships Page 3. Wait for the loading the page.	Page Should be open	Page open successfully	P1	Harshada	Pass
	TC-02-08	Verify that Gallery page open correctly.	Gallery	1. Open the link " https://midbrainsacademy.in/ "	Page Should be open	Page open successfully	P1	Harshada	Pass

				2. Click on Gallery Page					
				3. Wait for the loading the page.					
	TC-02-09	Verify that Career page open correctly.	Career	1. Open the link " https://midbrainsacademy.in/ "	Page Should be open	Page open successfully	P1	Harshada	Pass
				2. Click on Career Page					
				3. Wait for the loading the page.					
	TC-02-10	Verify that Technical and Non-Technical internal link open correctly.	Technical and Non-Technical internal link.	1. Open the link " https://midbrainsacademy.in/ "	Page Should be open	Page open successfully	P1	Harshada	Pass
				2. Click on Internal links.					
				3. Wait for the loading the page.					
	TC-02-11	Verify that Contact page open correctly.	Contact	1. Open the link " https://midbrainsacademy.in/ "	Page Should be open	Page open successfully	P1	Harshada	Pass
				2. Click on Contact Page					
				3. Wait for the loading the page.					
	TC-03	Course Pages (MERN, Testing, etc.)							
	TC-03-01	Verify that Mern Course page open correctly.	Mern Developer course page	1. Open the link " https://midbrainsacademy.in/ "	Page Should be open	Page open successfully	P1	Harshada	Pass
				2. Click on Training Page					
				2. Click on Mern Developer course page					
				3. Wait for loading the page.					
	TC-03-02	Verify that Software Testing Course page open correctly.	Software Testing course page	1. Open the link " https://midbrainsacademy.in/ "	Page Should be open	Page open successfully	P1	Harshada	Pass
				2. Click on Software Testing course page					
				3. Wait for the loading the page.					
	TC-04	Contact Form Submission							
	TC-04-01	Verify that Valid form submission with valid data.	Name : Harshada	1. Open the link " https://midbrainsacademy.in/ "	Success message should appear.	Success message displayed with valid data.	P1	Harshada	Pass
			Phone : 8888160236	2. Click on Contact Page					
			E-mail : harshadapadher25@gmail.com	3. Fill all the Valid data.					
			Message : I want to join course for software testing.	4. Click on the send email button.					
			send email(button)						
	TC-04-02	Verify invalid data formats.	Name : xyz	1. Open the link " https://midbrainsacademy.in/ "	Error message should appear.	Error message should not appear.	P1	Harshada	Fail
			Phone : 88sgd13546	2. Click on Contact Page					
			E-mail : pqr@gmail.com	3. Fill all the invalid data.					
			Message : abcdefgh	4. Click on the send email button.					
			send email(button)						
	TC-04-03	Verify empty fields formats.	Name :	1. Open the link " https://midbrainsacademy.in/ "	Pop up message should appear "Please fill out this field"	Pop up message displayed "Please fill out this field"	P1	Harshada	Pass
			Phone :	2. Click on Contact Page					
			E-mail :	3. Fill all the empty fields data.					
			Message :	4. Click on the send email button.					
			send email(button)						
	TC-04-04	Verify that empty fields with name, phone and email.	Name :	1. Open the link " https://midbrainsacademy.in/ "	Pop up message should appear "Please fill out this field" .	Pop up message displayed "Please fill out this field"	P1	Harshada	Pass
			Phone :	2. Click on Contact Page					
			E-mail :	3. Fill the valid data with empty fields with name, phone and email. .					
			Message : I want to join course for software testing.	4. Click on the send email button.					

			send email(button)						
	TC-04-05	Verify successful message when message field is empty with valid data.	Name : Harshada	1. Open the link " https://midbrainsacademy.in/ "	Success message should displayed.	success message displayed.	P2	Harshada	Pass
			Phone : 8888160236	2. Click on Contact Page					
			E-mail : harshadapadher25@gmail.com	3. Fill all the empty fields data.					
			Message :	4. Click on the send email button.					
			send email(button)						
	TC-04-06	Verify send email button is working with valid data.	Name : Harshada	1. Open the link " https://midbrainsacademy.in/ "	Success message should appear.	success message displayed.	P1	Harshada	Pass
			Phone : 8888160236	2. Click on Contact Page					
			E-mail : harshadapadher25@gmail.com	3. Fill all the fields with valid data.					
			Message : I want to join course for software testing.	4. Click on the send email button.					
			send email(button)						
TC-05		Enquiry / Lead Form							
	TC-05-01	Verify form submission with valid data.	Name : Harshada	1. Open the link " https://midbrainsacademy.in/ "	Success message should appear.	Success message displayed with valid data.	P1	Harshada	Pass
			E-mail : harshadapadher25@gmail.com	2. Click on home page.					
			Phone : 8888160236	3. Search the lead form or register form.					
			Message : I want to join course for software testing.	4. Fill all the Valid data.					
			submit(button)	4. Click on the submit button.					
	TC-05-02	Verify form submission with invalid data.	Name : abc	1. Open the link " https://midbrainsacademy.in/ "	Error message should be appear.	Error message should not appear.	P1	Harshada	Fail
			E-mail : abc@gmail.com	2. Click on home page.					
			Phone : 88hps234567	3. Search the lead form or register form.					
			Message : abc	4. Fill all the invalid data.					
			submit(button)	4. Click on the submit button.					
		Mandatory fields							
	TC-05-03	Verify form submission with valid data without name fields.	Name :	1. Open the link " https://midbrainsacademy.in/ "	Pop up/validation message should be displayed.	Pop up message should be displayed.	P1	Harshada	Pass
			E-mail : harshadapadher25@gmail.com	2. Click on home page.					
			Phone : 8888160236	3. Search the lead form or register form.					
			Message : I want to join course for software testing.	4. Fill the Valid data without name fields.					
			submit(button)	4. Click on the submit button.					
	TC-05-04	Verify form submission with valid data without email fields.	Name : Harshada	1. Open the link " https://midbrainsacademy.in/ "	Pop up/validation message should be displayed.	Pop up message should be displayed.	P1	Harshada	Pass
			E-mail :	2. Click on home page.					
			Phone : 8888160236	3. Search the lead form or register form.					
			Message : I want to join course for software testing.	4. Fill the Valid data without email fields.					
			submit(button)	4. Click on the submit button.					
	TC-05-05	Verify form submission with valid data without phone fields.	Name : Harshada	1. Open the link " https://midbrainsacademy.in/ "	Pop up/validation message should be displayed.	Pop up message should be displayed.	P1	Harshada	Pass
			E-mail : harshadapadher25@gmail.com	2. Click on home page.					
			Phone :	3. Search the lead form or register form.					
			Message : I want to join course for software testing.	4. Fill the Valid data without phone fields.					
			submit(button)	4. Click on the submit button.					
	TC-05-06	Verify "submit" button working with valid data.	Name : Harshada	1. Open the link " https://midbrainsacademy.in/ "	Success message should appear.	success message displayed.	P1	Harshada	Pass

			E-mail : harshadapadher25@gmail.com	2. Click on home page.					
			Phone : 8888160236	3. Search the lead form or register form.					
			Message : I want to join course for software testing.	4. Fill all the Valid data.					
			submit(button)	4. Click on the submit button.					
TC-06		Buttons & Call-to-Actions (Apply Now, Enroll, etc.)							
	TC-06-01	Verify page redirects after clicking "submit" button	Name : Harshada	1. Open the link " https://midbrainsacademy.in/ "	Page redirect next page after clicking with successful message should be displayed.	Redirect the next page and displayed successfull message.	P0	Harshada	Pass
			E-mail : harshadapadher25@gmail.com	2. Click on home page.					
			Phone : 8888160236	3. Search the lead form or register form.					
			Message : I want to join course for software testing.	4. Fill all the Valid data.					
			submit(button)	4. Click on the submit button.					
	TC-06-02	Verify page redirects after clicking "send email" button	Name : Harshada	1. Open the link " https://midbrainsacademy.in/ "	Page redirect next page after clicking with successful message should be displayed.	Redirect the next page and displayed successfull message.	P0	Harshada	Pass
			Phone : 8888160236	2. Click on home page.					
			E-mail : harshadapadher25@gmail.com	3. Search the lead form or register form.					
			Message : I want to join course for software testing.	4. Fill all the Valid data.					
			send email(button)	4. Click on the send email button.					
		Buttons							
	TC-06-03	Verify page redirect on"view courses" button is clickable.	View courses(button)	1. Open the link " https://midbrainsacademy.in/ "	Page should be redirect to the Training page after clicking.	Page Redirect to the Training page and displayed successfull.	P1	Harshada	Pass
				2. Click on home page.					
				3. Click on the learn more button.					
				4. Redirect to the Training page after that clicking.					
	TC-06-04	Verify page redirect on"learn more" button is clickable.	learn more(button)	1. Open the link " https://midbrainsacademy.in/ "	Page should be redirect to the Training page after clicking.	Page Redirect to the Training page and displayed successfull.	P1	Harshada	Pass
				2. Click on home page.					
				3. Click on the learn more button.					
				4. Redirect to the Training page after that clicking.					
	TC-06-05	Verify page redirect on"Browse all courses" button is clickable.	Browse all courses(button)	1. Open the link " https://midbrainsacademy.in/ "	Page should be redirect to the Training page after clicking.	Page Redirect to the Training page and displayed successfull.	P1	Harshada	Pass
				2. Click on home page.					
				3. Click on the Browse all courses button.					
				4. Redirect to the Training page after that clicking.					
	TC-06-06	Verify page redirect on"View more" button is clickable.	View more(button)	1. Open the link " https://midbrainsacademy.in/ "	Page should be redirect to the Gallery page after clicking.	Page Redirect to the Gallery page and displayed successfull.	P1	Harshada	Pass
				2. Click on home page.					
				3. Click on the View more button.					
				4. Redirect to the Gallery page after that clicking.					
	TC-06-07	Verify page redirect on "Learn now" button is clickable.	Learn now(button)	1. Open the link " https://midbrainsacademy.in/ "	Page should be redirect to the Training page after clicking.	Page Redirect to the Training page and displayed successfull.	P1	Harshada	Pass
				2. Click on about page.					
				3. Click on the Learn now button.					
				4. Redirect to the Training page after that clicking.
